

HIMANSHU SANGLE

I am an enthusiastic and detail-oriented Computer Engineering diploma student, possessing a strong foundation in hardware, software, and networking concepts. I have developed proficiency in C and C++, complemented by a sound knowledge of database management and web development. I am skilled in diagnosing and troubleshooting hardware and software issues, supported by practical experience gained through academic projects and internships.

Work Experience

Team Leader- Smart India Hackathon (SIH) 2025

Smart India Hackathon | Government of India Initiative | 2025

- Led a team of developers and designers to create an innovative solution for a national-level engineering problem statement.
- Managed end-to-end project execution, including requirement analysis, planning, task allocation, and progress monitoring.
- Designed and reviewed technical components, ensuring the solution aligned with SIH guidelines and technical feasibility.
- Facilitated effective communication, collaboration, and conflict resolution within the team.
- Worked with mentors and evaluators to improve system quality, performance, and innovation.
- Gained strong experience in project management, leadership, software development workflow, and documentation.

Educational Background

Diploma in Computer Engineering

K.J Somaiya Polytechnic Aug 2024 -

May 2027

- Sem I :90.00%
- Sem II :90.38

Secondary School Certificate(SSC)

Don Bosco School

Passed in May 2024

Marks:94%

Soft Skills

- **Leadership:** Ability to guide a team, make decisions, and ensure smooth project execution.
- **Teamwork:** Collaborating effectively with others to achieve shared goals.
- **Communication:** Clearly expressing ideas and actively listening to improve understanding.
- **Problem-Solving:** Identifying issues quickly and creating practical, effective solutions.
- **Time Management:** Organizing tasks efficiently to meet deadlines without compromising quality.
- **Adaptability:** Adjusting quickly to new tools, challenges, and changing environments.
